

Day 1 - Day 7 (cont'd)

Nations in the Caribbean and South America.

Pray for:

(i) Revival in the Church in the Caribbean for the evangelization and transformation of nations like Jamaica, Trinidad & Tobago, Guyana, and Venezuela continue to experience a high level of violent crimes. In the case of Venezuela, street gangs and organized crime run rampant making it one of the deadliest in the world. Due to the economic crisis facing Venezuela roughly 4 million people have already fled the nation and more is expected to follow.

(ii) The Governments of the region in their continued fight against rising corruption, international drug trafficking and international human trafficking (a \$32 billion global industry); rising unemployment due to economic declines, rising food and fuel prices.

European Continent

Pray for:

(i) **Revival in the church across Europe.**

While Christianity has been steadily declining, Islam has been growing rapidly and replacing the Christian influence. A recent survey in the UK, for example, has found that 9 out of 10 Christians in the UK believe their faith is being marginalized. While Islam continues to thrive in the UK and elsewhere across Europe, the greatest threat to Christianity on the continent, however, appears to be secular humanism, which has continued to undermine the influence of the traditional church. Pentecostal congregations, particularly from the African and Caribbean immigrant populations continue to experience growth, however. Spiritual revivals are also being reported among churches in East Germany that cater largely to Iranian refugees.

(ii) **Solutions to the growing refugee crisis across Europe, including Christian refugees facing discrimination.** Recent surveys by **Open Doors** found that 75% of Christian refugees in Germany claimed to have been persecuted by fellow Muslim refugees and security staff.

The African Continent

Pray for:

(i) **The continued growth of the church in Africa and for the revival being experienced on the continent to influence real change and transformation of African societies.** Africa's 31.1 million food-deprived masses scattered across Sudan's Darfur region, Zimbabwe, Ethiopia, Uganda and elsewhere, pose a major challenge for the continent. Despite progress in boosting democracy, ending wars, and economic growth, Africa is the only region in the world becoming less and less able to feed itself. Reasons include the relentless spread of desert and drought, high population growth, and bad governance, and disease like Ebola. Despite these many challenges facing the continent, however, the African church is growing rapidly in many countries.

(ii) **Resolution of religious conflicts and the defeat of terrorism threatening various African states, including Nigeria, Somalia and Chad.**

Day 1 – Day 7 (cont'd)

The Middle East and Israel

Pray for:

(i) **Needs of the Christian community in the Middle East facing economic hardship and persecution.**

According to a recent report, economic hardships, armed conflict, and persecution have long been catalysts for the exodus of Christians from the Middle East. Over the past few decades these pressures have steadily reduced the proportion of Christians in the Middle East from around 20 percent at the start of the 20th century to around 5 percent now. Less than 1 percent of the world's more than 2 billion Christians live in the Middle East, and there are fears that number could dwindle even further. Since the 2011 war in Syria the Christian population has declined by more than 50% and that in Iraq by more than 80% since the 2003 US invasion.

(ii) **Solution to the Syrian refugee crisis, considered the worst in history since the last world war.** In 2016, the United Nations (UN) identified 13.5 million Syrians requiring humanitarian assistance, of which about 6.7 million are internally displaced within Syria, and 6.2 million are refugees outside of Syria. Half of those affected are children.

(iii) **Peaceful solution to the Israeli/Palestinian conflict in keeping with God's plan for both Israel and the Palestinian people.**

Asia, the Largest and Most Populous Continent

Asia comprises a full 30% of the world's land area with 60% of the world's current population or 4.4 billion people. Asia also has the vast majority of unreached peoples, comprising the majority of the world's Muslims, Hindus, and Buddhists and also over 80% of the world's poorest people.

Pray for:

(i) **The church, its leaders and organizations, will network together to fulfill the Great Commission.**

(ii) **The continued growth of China's church movement and for its impact on the rest of Asia.**

(iii) **Unity of Christians in China, Korea and Japan for the revival of North East Asia and the whole of Asia.**

(iv) **Protection and Greater freedom for Christians in North Korea,** where the government views Christianity as the number one enemy of the state. An estimated 300,000 live in North Korea of which 50,000 are serving harsh prison terms in concentration camps for their faith in Christ.

From Rev. Newton Gabbidon, IPMI's President

Welcome to the 2019 Annual Twenty-one Days of Prayer and Fasting for Breakthroughs, a program specially designed for members of the Body of Christ who are desirous of participating in a concerted time of prayer, focusing not only on personal needs but also on major issues of concern to the Christian community here in America and around the world. We trust that you will find this

guide helpful as you engage with us during this important time of prayer and fasting.

If this will be your first time fasting or participating in an extended time of fasting and prayer, we would strongly encourage you to acquaint yourself with the discipline of fasting by reading the article entitled, "Fasting, A Vital Key to Effective Prayer and Victorious Christian Living," prior to participating. The article is available online on PMI's website.

The Word of God is one of the believer's most potent offensive weapons of spiritual warfare (Eph. 6: 17). According to the Scriptures Satan can be defeated if believers stand on God's words. By declaring the word of God in our prayers we can overcome his attacks not only against us, but also against our loved ones, communities, cities, and nations (Mat 4: 3—11; Eph. 6: 2 Cor. 10: 3-4;). We trust, therefore, that you will find the numerous Scriptures a valuable reference both for meditation and prayer as you engage in the time of fasting and prayer.

Another vital weapon of spiritual warfare is united prayer. In fact, it is the most powerful of all the weapons that God has committed to us (Matt 18:18-19; Acts 4; Acts 12:1-24). That is why we are extending a special invitation to participants to join us for the Oct. 12 Annual Global Prayer Summit. After all, what better way to culminate this powerful time of prayer and fasting than to join us for this significant conference? Other opportunities to join in united concerted prayer during the twenty one days of prayer and fasting, include the Sept. 28, Monthly Prayer Gathering at the New York Hilton, JFK and the Oct. 3—5, Monthly Global Prayer Teleconferences, facilitated by leaders of the prayer movement from various nations around the world. For more information on how to participate in these prayer meetings, please visit our website.

Your local Church and Other Churches in Your Community, City, State and Nation:

Pray for:

- (i) Pastors and their families, for spiritual guidance, strength, encouragement and for God's provision. It is estimated that at any time 75% of pastors in the US want to quit. Of the hundreds that leave the ministry each year, they do so because of moral failure, spiritual burnout, or contention in their churches.
- (ii) The establishment of the local church as the house of prayer for the evangelization and transformation of communities and cities plagued by corruption, drugs, gang violence, unemployment and other social ills (Ps. 127:1).

DAY 1 – DAY 7 (CONT'D)

(iii) City, State and National Government officials, law enforcement officials; God's protection of our cities and nations from acts of terrorism. (1Tim. 2: 1—6).

The United States of America:

1. The US Government

Pray for:

- (i) President Donald Trump and his family; all members of his Cabinet and White House staff, for their safety, protection, and wisdom to govern the country justly and in the fear of God.
- (ii) the love, peace, and unity of God to permeate all areas of our deeply divided US Government to facilitate healing and reconciliation in all sectors of American life.
- (iii) Solutions to US immigration problems, including the growing crisis at the US southern border.
- (iv) US 2020 Presidential and Congressional Elections.

2. The Church

Pray for:

Revival in the church across America.

Consider these four critical issues as you pray:

- (i) **Current rates of retention and evangelism.** It's estimated that 42 million young people could leave the church by 2050. That is over one million young people walking away from the church each year. If, however, we can revert to Gen X rates of retention and evangelism, that number can be reduced to only 20 million. It is also estimated that 176,000 churches could close by 2050 in the US if the trend continues.
- (ii) **Suicide is the 10th leading cause of death in the US.** 47,173 Americans committed suicide in 2017, but there were an estimated 1,400,000 suicide attempts in the year. In 2015 suicide and self-inflicted injuries cost the Federal Government \$69 billion. But the sad news is that the suicide rate is trending upwards, an indication of the high level of hopelessness permeating every sector of American culture.
- (iii) **More than 61 million abortions have been performed in the United States** since 1973 when the U.S. Supreme Court's Roe v. Wade decision made the procedure legal. For the same period, the number of abortions committed worldwide is estimated at 16 million. Fewer U.S. women are having abortions than at any time since Roe v. Wade, according to new government figures. In 2015, the most recent year for which data is available, a total of 638,169 abortions were reported, a decrease of 2 percent from 652,639 abortions in 2014. New York Governor signed into law a recent bill expanding abortions rights, legalizing later terms abortions.
- (iv) **God's healing of the US, a morally decadent and deeply divided nation.** "America's ills are not the result of racism or corruption, although these are evil. Our troubles can also be traced directly to ineffective Christians. As Christians, we must take authority and pray over the principalities and powers that are at work in our nation, in the lives of those who are calling for violence or who are perpetuating violence" (Tony Evans).
